the European Agency for the Operational Management of Large-Scale IT Systems in the Area of  
Freedom, Security and Justice (eu-LISA), and the European Data Protection Supervisor (EDPS).\*\*

## 1. \*\*General Provisions\*\*

- This Regulation establishes the framework for the operation of the Eurodac system, which is designed to assist in the identification of applicants for international protection and to facilitate the application of the Dublin Regulation.

## 2. \*\*Legal Basis\*\*

- The legal basis for this Regulation is provided by Article 30 of Regulation (EU) No. 603/2013, which outlines the objectives and functions of the Eurodac system.

3. **Implementation**

- The implementation of the Eurodac system shall be carried out in accordance with the provisions of this Regulation and the applicable Union law.

4. **Data Protection**

- The processing of personal data within the Eurodac system shall comply with the principles of data protection as set out in Regulation (EU) 2016/679 (General Data Protection Regulation) and Regulation (EU) 2018/1725 (on the protection of individuals with regard to the processing of personal data by the Union institutions, bodies, offices, and agencies).

5. **Amendments and Repeals**

- This Regulation shall amend and repeal previous regulations and directives that are inconsistent with its provisions, including but not limited to Regulation (EC) No. 2725/2000 and Regulation (EU) No. 604/2013.

6. **Final Provisions**

- This Regulation shall enter into force on the twentieth day following its publication in the Official Journal of the European Union.

7. **Review and Reporting**

- The Commission shall review the operation of the Eurodac system and report to the European Parliament and the Council every three years.

8. **Transitional Provisions**

- The provisions of this Regulation shall apply to all data processed under the Eurodac system, including data collected prior to the entry into force of this Regulation.

9. **Entry into Force**

- This Regulation shall be binding in its entirety and directly applicable in all Member States.

**Victim Identification System (VIS) and the  
Transfer of Personal Data**

through the exchange of personal data  
for the Victim Identification System (VIS).

The Administrative Authority does not  
have the authority to process personal data  
in accordance with the provisions of the  
Victim Identification System (VIS).

The Administrative Authority may  
process personal data in accordance with  
the applicable legal framework for the  
Victim Identification System, provided that  
it complies with the requirements set forth in  
Article 24 of the Law on the  
Protection of Personal Data.

Article 43 of the Law on  
Personal Data Protection 767/2008. 8(b)  
Regulation 2008/633/EC of 23rd  
November 2008 regarding the  
processing of personal data for the  
Victim Identification System (VIS) and  
the exchange of personal data with  
EUROPOL for the purpose of

investigating serious crimes,  
including organized crime and  
other serious criminal offenses. The  
processing of personal data shall be  
carried out in accordance with the  
provisions of the Regulation, while the  
Administrative Authority shall inform the  
Supervisory Authority, unless the  
processing is necessary for the  
Supervisory Authority to perform its  
tasks and is carried out in accordance with  
the provisions of the Law on  
Personal Data Protection (Law) 767/2008.  
Article 8 provides that the  
Administrative Authority shall ensure that  
the processing of personal data is  
conducted in compliance with the  
applicable legal framework.  
9 Regulation (EU) 1024/2012  
of 25th October 2012  
regarding the administrative  
cooperation between the  
Member States for the  
implementation of Regulation 2008/49/EC  
("Victim Identification System").  
The Victim Identification System shall  
process personal data in accordance with  
the provisions of Article 20 of the  
Regulation on the  
Protection of Personal Data for the  
Victim Identification System.  
The Victim Identification System  
is the competent authority for the  
implementation of the  
Regulation on the  
Protection of Personal Data, with  
reference to Article 21(1) of the  
Regulation on the  
Protection of Personal Data.  
The Victim Identification System  
is the competent authority for the  
processing of personal data for the  
Victim Identification System,  
as provided in Article 21(4) of the  
Regulation on the  
Protection of Personal Data. 10(a)  
Regulation 2002/58/EC of 12th  
July 2002 regarding the  
processing of personal data in  
electronic communications  
(Directive on privacy and  
electronic communications),  
was repealed by Directive 2009/136/EC and

Regulation (EU) 611/2013. The Regulation on Electronic Communications was adopted. The processing of personal data shall be carried out in accordance with the provisions of the Regulation on Privacy and Electronic Communications for the implementation of the Regulation 2002/58/EC. 10(b) Regulation (EU) 2021/1232 regarding the processing of personal data in electronic communications and the protection of privacy in the electronic communications sector, repealed Regulation 2002/58/EC. **\*\*3.3.5. Declaration for the Application of Provisional Measures\*\***

The provisional measures requested by the applicant, Mr. Nera Mirolo, are aimed at ensuring the protection of his rights, specifically regarding the preservation of the property in question, which is a residential property located in the area of Nera Mirolo. The applicant, in particular, seeks to prevent any actions that may affect the ownership of the property, including the transfer or encumbrance of said property, in order to maintain the status quo until a final decision is made regarding the merits of the case.

The applicant asserts that the requested provisional measures are necessary to prevent irreparable harm to his rights and to ensure that he can effectively pursue his claims in the main proceedings. The applicant further argues that the urgency of the situation justifies the immediate granting of these measures, as any delay could result in significant detriment to his legal position.

**\*\*3.3.6. Declaration for the Application of Provisional Measures\*\***

The provisional measures requested by the applicant, regarding the insurance coverage provided by CNP ASFALISTIKI LIMITED, are aimed at ensuring that the applicant's rights are protected during the ongoing proceedings. The applicant requests that the court order the immediate provision of insurance coverage for the property in question, which is essential for safeguarding the applicant's interests while the case is pending.

The applicant emphasizes that the requested measures are necessary to prevent any potential loss or damage to the property, which could undermine the effectiveness of the final judgment. The applicant also highlights that the insurance coverage is crucial for maintaining the value of the property and ensuring that any risks associated with it are adequately managed.

### **\*\*3.3.7. Declaration for the Application of Provisional Measures\*\***

The provisional measures requested by the applicant regarding the insurance coverage provided by Gan Direct Insurance Limited are aimed at ensuring that the applicant's rights are protected during the ongoing proceedings. The applicant requests that the court order the immediate provision of insurance coverage for the property in question, which is essential for safeguarding the applicant's interests while the case is pending.

The applicant asserts that the requested measures are necessary to prevent any potential loss or damage to the property, which could undermine the effectiveness of the final judgment. The applicant further argues that the insurance coverage is crucial for maintaining the value of the property and ensuring that any risks associated with it are adequately managed.

In conclusion, the applicant requests that the court grant the provisional measures as outlined above, as they are essential for the protection of his rights and interests during the course of the proceedings.

#### 95 4.6. Judicial Review of Administrative Decisions

The judicial review of administrative decisions is governed by the provisions of the Administrative Procedure Code. The review shall be conducted in accordance with the principles of legality and proportionality, ensuring that the administrative acts are lawful and do not infringe upon the rights of individuals. The court shall assess whether the administrative decision is justified based on the facts and the applicable law, and whether it respects the rights of the parties involved.

#### 4.7. Appeal

The appeal process for the administrative decisions shall be in accordance with the provisions of Article 61(4)(a) and (b) of the Administrative Procedure Code and shall be subject to the provisions of the Law on Administrative Justice. The appeal must be filed within the time limits established by law, and the court shall examine the legality of the administrative decision in question.

The provisions of the law shall apply to all cases where the administrative decision affects the rights of individuals, and the court shall ensure that the rights of the parties are protected. The appeal shall be based on the grounds of illegality, and the court shall have the authority to annul the administrative decision if it finds it to be unlawful.

The administrative authority must provide a reasoned decision, and the parties shall have the right to be heard. The court shall ensure that the principles of fairness and justice are upheld in the review process.

The legal framework governing the appeal process is designed to ensure that individuals have access to justice and that their rights are protected in accordance with the law. The court shall have the authority to issue interim measures if necessary to protect the rights of the parties during the appeal process.

The appeal shall be filed with the competent administrative court, and the parties shall be notified of the proceedings. The court shall issue a decision based on the merits of the case, and the parties shall have the right to appeal the decision in accordance with the law.

The administrative authority must comply with the court's decision, and failure to do so may result in legal consequences. The court shall ensure that the administrative authority acts in accordance with the law and respects the rights of individuals.

The provisions of the law shall apply equally to all parties involved in the administrative proceedings, and the court shall ensure that the principles of equality and non-discrimination are upheld.

The appeal process is an essential mechanism for ensuring accountability and transparency in administrative decision-making, and it provides individuals with a means to challenge unlawful administrative acts. The court shall ensure that the appeal process is conducted in a fair and impartial manner, and that the rights of all parties are respected throughout the proceedings.

\*\*Electronic Communication. The\*\*

\*\*relevant one\*\*

\*\*political communication\*\*

\*\*may be transmitted\*\*

\*\*through email or other means, with\*\*

\*\*additional relevant information regarding\*\*

\*\*the document's content and\*\*

\*\*other political identities, with\*\*

\*\*specific details regarding the\*\*

\*\*subject matter, with\*\*

\*\*the exclusion of any\*\*

\*\*information for reading\*\*

\*\*the political minutes, or\*\*

\*\*with the exclusion of\*\*

\*\*the procedural speech or\*\*

\*\*explanation. However, in the case of\*\*

\*\*the relevant type of minutes,\*\*

\*\*the most relevant information\*\*

\*\*is considered "political"\*\*\*

\*\*and the most relevant\*\*

\*\*is the one that is\*\*

\*\*legally binding.\*\*

\*\*The relevant household, the\*\*

\*\*relevant electronic communication\*\*

\*\*and the number of relevant\*\*

\*\*documents. The\*\*

\*\*relevant one for\*\*

\*\*the recording of political\*\*

\*\*communication is considered\*\*

\*\*to be the most relevant\*\*  
\*\*information. The\*\*  
\*\*political or legal\*\*  
\*\*relevant documents\*\*  
\*\*for the execution of the political\*\*  
\*\*communication regarding the\*\*  
\*\*political minutes\*\*  
\*\*and identities are\*\*  
\*\*considered relevant\*\*  
\*\*information regarding the\*\*  
\*\*subject matter of the\*\*  
\*\*document. The relevant\*\*  
\*\*communication is\*\*  
\*\*subject to the provisions of Article 4\*\*  
\*\*of the Regulation, which states\*\*  
\*\*that it may be\*\*  
\*\*transmitted for political\*\*  
\*\*documents/movements or\*\*  
\*\*other communications and shall\*\*  
\*\*be effective for the relevant\*\*  
\*\*legal provisions. \*\*  
\*\*In accordance with the provisions\*\*  
\*\*of the Regulation, the\*\*  
\*\*relevant communication\*\*  
\*\*is subject to the provisions of\*\*  
\*\*the Regulation (specific political or\*\*  
\*\*legal documents) regarding the\*\*  
\*\*provisions of the Regulation (Article 4(8) and 28), \*\*  
\*\*it shall be necessary to\*\*  
\*\*transmit relevant information and the\*\*  
\*\*specific one shall be\*\*  
\*\*considered to be\*\*  
\*\*the relevant communication. \*\*  
\*\*2. Political\*\*  
\*\*communication with electronic\*\*  
\*\*means (the collection of minutes\*\*  
\*\*and the execution of relevant\*\*

\*\*Regarding the collection of minutes\*\*  
\*\*via email, fax, sms, mms, \*\*  
\*\*and the execution of relevant documents\*\*  
\*\*with the relevant collection of\*\*  
\*\*documents/minutes shall be\*\*  
\*\*considered to be relevant\*\*  
\*\*to the provisions of Article 106 of Law 112(A)/2004, \*\*  
\*\*it is necessary that the\*\*  
\*\*relevant communication\*\*  
\*\*is considered to be\*\*

**\*\*Agreement on the Eurodac System. SIS II\*\***

**\*\*General Provisions\*\***

The Schengen Information System - SIS II regulates the exchange of information between Member States regarding the management of asylum applications and the control of irregular migrants, as well as for the prevention of serious criminal offenses and for the enforcement of the law. In this context, it is necessary to ensure that all relevant information is shared for the effective management of asylum applications and for the prevention of serious criminal offenses. The SIS II does not operate in isolation from the other systems. The Agreement must be interpreted in accordance with the provisions of the Schengen acquis, including the relevant regulations and directives.

**\*\*Article 1\*\***

This Agreement establishes the legal framework for the exchange of information between Member States through the Schengen Information System II (SIS II) with respect to the management of asylum applications and the control of irregular migrants.

**\*\*Article 2\*\***

The Visa Information System (VIS) regulates the exchange of information between Member States regarding the management of visa applications and the control of irregular migrants. The VIS is intended to facilitate the processing of visa applications and to enhance the security of the Schengen area.

**\*\*Article 3\*\***

The national VIS shall be connected to the central VIS and the national authorities shall ensure that the exchange of information is conducted in accordance with the applicable laws and regulations. The national VIS shall not be used for purposes other than those specified in this Agreement.

**\*\*Article 4\*\***

The Customs Information System (CIS) regulates the exchange of information between Member States regarding customs matters, including the management of customs controls and the prevention of customs offenses. The CIS is intended to enhance the effectiveness of customs cooperation and to ensure compliance with customs regulations.

**\*\*Article 5\*\***

The national authorities shall ensure that the exchange of information through the CIS is conducted in accordance with the applicable laws and regulations. The CIS shall not be used for purposes other than those specified in this Agreement.

**\*\*Article 6\*\***

The Schengen Member States shall ensure that the exchange of information through the SIS II, VIS, and CIS is conducted in a manner that respects the rights of individuals and complies with data protection regulations.

**\*\*Article 7\*\***

This Agreement shall enter into force on the date of its signature and shall remain in effect until terminated by mutual consent of the parties.

**\*\*Cooperation with the Internal Market Information System (IMI)\*\***

**\*\*1. Introduction\*\***

The Internal Market Information System (IMI) is a tool that facilitates the exchange of information between national authorities in the European Union. It aims to improve the implementation of EU law and enhance cooperation among Member States.

**\*\*2. Objectives\*\***

The objectives of the IMI include:

1. To support the effective application of EU legislation.
2. To enable national authorities to communicate and share information efficiently.
3. To assist in the resolution of cross-border issues related to the internal market.

**\*\*3. Legal Framework\*\***

The IMI operates under the legal framework established by the relevant EU regulations, including Regulation (EU) 2018/1724, which aims to simplify access to information and services for citizens and businesses.

**\*\*4. Responsibilities of National Authorities\*\***

National authorities are responsible for:

1. Registering in the IMI system.
2. Ensuring the accuracy and completeness of the information shared.
3. Responding to requests for information from other Member States in a timely manner.

**\*\*5. Data Protection\*\***

All data exchanged through the IMI must comply with the General Data Protection Regulation (GDPR) to ensure the protection of personal data.

**\*\*6. Conclusion\*\***

The IMI is a vital tool for enhancing cooperation among Member States and ensuring the effective implementation of EU law. National authorities must actively participate and adhere to the established guidelines to maximize its benefits.

**\*\*Privacy Policy\*\***
