RESOLUTION OF RIGHTS PROCEDURE

After carrying out the procedural actions provided for in Title VIII of Organic Law 3/2018, of December 5, on the Protection of Personal Data and Guarantee of Digital Rights (hereinafter LOPDGDD), the following FACTS have been established:

FIRST: Mr. A.A.A. (hereinafter, the claimant) exercised the right of Erasure against ALIBABA COM SINGAPORE E-COMMERCE PRIVATE LIMITED (hereinafter, the respondent), without receiving the legally established response to his request.

The claimant states that on 16/2/23 he exercised his right of erasure concerning his Aliexpress user account. He says that "when requesting the erasure of my data on the Aliexpress website, they indicate that they have sent an email to my address with a code to enter on the website to request the erasure, but however, after trying several times, I do not receive such an email from Aliexpress with the code."

SECOND: In accordance with Article 65.4 of the LOPDGDD, this complaint was forwarded to the respondent for analysis and to inform this Agency within one month of the actions taken to comply with the requirements set forth in data protection regulations.

The electronic notification of this forwarding expired.

Therefore, this forwarding was reiterated by postal mail to the address provided by the State Agency for Tax Administration, being returned marked as Unknown.

THIRD: The result of the forwarding procedure indicated in the previous Fact did not allow for understanding the claims of the claimant to be satisfied. Consequently, on May 16, 2023, for the purposes provided for in Article 64.1 of the LOPDGDD, the Director of the Spanish Agency for Data Protection agreed to admit the complaint for processing.

The aforementioned agreement granted the respondent a hearing period, so that within ten working days, they could present any arguments they deemed appropriate, resulting in the expiration of the electronic notification carried out by Notific@.

After reiterating the sending by postal mail, it was returned to this Agency by the postal service with the annotation "Returned to Origin due to Excess (Not collected at office)."

LEGAL GROUNDS

I

Competence

In accordance with the powers granted to each supervisory authority by Article 58.2 of Regulation (EU) 2016/679 (General Data Protection Regulation, hereinafter GDPR), and as established in Articles 47, 48.1, and 64.1 of the LOPDGDD, the Director of the Spanish Agency for Data Protection is competent to initiate and resolve this procedure.

Furthermore, Article 63.2 of the LOPDGDD states that "The procedures processed by the Spanish Agency for Data Protection shall be governed by the provisions of Regulation (EU) 2016/679, by this organic law, by the regulatory provisions issued in its development, and, as long as they do not contradict them, subsidiarily by the general rules on administrative procedures."

II

Preliminary Issues

In accordance with the provisions of Article 55 of the GDPR, the Spanish Agency for Data Protection is competent to perform the functions assigned to it in Article 57, including the enforcement of the Regulation and promoting awareness among data controllers and processors regarding their

obligations, as well as addressing complaints filed by a data subject and investigating, as appropriate, the reasons for them.

Correspondingly, Article 31 of the GDPR establishes the obligation of data controllers and processors to cooperate with the supervisory authority that requests it in the performance of its functions. In cases where they have appointed a data protection officer, Article 39 of the GDPR assigns this officer the function of cooperating with that authority.

In accordance with this regulation, following the procedure provided for in Article 65.4 of the LOPDGDD, prior to the admission of the complaint regarding the exercise of the rights regulated in Articles 15 to 22 of the GDPR, which gives rise to this procedure, it was forwarded to the respondent for analysis, to respond to this Agency within one month, and to demonstrate that they had provided the claimant with the appropriate response.

The result of this forwarding did not allow for understanding the claims of the claimant to be satisfied. Consequently, on May 16, 2023, for the purposes provided for in Articles 64.1 and 65 of the LOPDGDD, the complaint was admitted for processing. This admission for processing determines the opening of the present procedure for failure to address a request for the exercise of the rights established in Articles 15 to 22 of the GDPR, regulated in Article 64.1 of the LOPDGDD, according to which:

"When the procedure refers exclusively to the lack of attention to a request for the exercise of the rights established in Articles 15 to 22 of Regulation (EU) 2016/679 of the European Parliament and of the Council, of April 27, 2016, it will be initiated by an admission agreement, which will be adopted in accordance with the provisions of Article 65 of this organic law.

In this case, the deadline for resolving the procedure will be six months from the date on which the admission agreement was notified to the complainant. After this period, the interested party may consider their complaint accepted."

Article 58.2 of the GDPR grants the Spanish Data Protection Agency a series of corrective powers for the purpose of remedying any infringement of the GDPR, including "ordering the data controller or processor to address requests for the exercise of the rights of the data subject under this Regulation."

III

Rights of individuals regarding personal data protection

The rights of individuals regarding personal data protection are regulated in Articles 15 to 22 of the GDPR and Articles 13 to 18 of the LOPDGDD. The rights of access, rectification, erasure, objection, the right to restriction of processing, and the right to data portability are contemplated.

The formal aspects related to the exercise of these rights are established in Articles 12 of the GDPR and 12 of the LOPDGDD.

Moreover, consideration is given to what is expressed in Recitals 59 and following of the GDPR.

In accordance with the provisions of these regulations, the data controller must establish formulas and mechanisms to facilitate the exercise of rights by the data subject, which will be free of charge (without prejudice to the provisions of Articles 12.5 and 15.3 of the GDPR), and is obliged to respond to requests made no later than one month, unless it can demonstrate that it is unable to identify the data subject, and to express its reasons in case it does not intend to comply with such request. The burden of proof regarding compliance with the duty to respond to the request for the exercise of rights made by the affected party lies with the data controller.

The communication addressed to the data subject regarding their request must be expressed in a concise, transparent, intelligible, and easily accessible manner, using clear and simple language.

IV

Right to erasure

Article 17 of the GDPR, which regulates the right to erasure of personal data, establishes the following:

C/ Jorge Juan, 6

4/6

"1. The data subject shall have the right to obtain from the data controller the erasure of personal data concerning them without undue delay, and the data controller shall be obliged to erase personal data without undue delay when one of the following circumstances applies:

- a) the personal data are no longer necessary in relation to the purposes for which they were collected or otherwise processed;
- b) the data subject withdraws consent on which the processing is based in accordance with Article 6(1)(a) or Article 9(2)(a), and where there is no other legal ground for the processing;
- c) the data subject objects to the processing pursuant to Article 21(1), and there are no overriding legitimate grounds for the processing, or the data subject objects to the processing pursuant to Article 21(2);
- d) the personal data have been unlawfully processed;
- e) the personal data must be erased for compliance with a legal obligation in Union or Member State law to which the data controller is subject;
- f) the personal data have been collected in relation to the offer of information society services referred to in Article 8(1).

2. When the data controller has made the personal data public and is obliged, under paragraph 1, to erase such data, the data controller, taking into account the available technology and the cost of implementation, shall take reasonable steps, including technical measures, to inform controllers that are processing the personal data of the data subject's request for erasure of any links to those personal data, or any copies or replications of the same.

3. Paragraphs 1 and 2 shall not apply to the extent that the processing is necessary:

- a) for exercising the right of freedom of expression and information;
- b) for compliance with a legal obligation which requires processing by Union or Member State law to which the data controller is subject, or for the performance of a task carried out in the public interest or in the exercise of official authority vested in the controller;
- c) for reasons of public interest in the area of public health in accordance with Article 9(2)(h) and (i), and paragraph 3;
- d) for archiving purposes in the public interest, scientific or historical research purposes or statistical purposes in accordance with Article 89(1), in so far as the right referred to in paragraph 1 is likely to render impossible or seriously impair the achievement of the objectives of that processing, or
- e) for the establishment, exercise or defense of legal claims."

V

Conclusion

In the present case, from the examination of the documentation provided, it has been established that the complaining party exercised the right to erasure of their data, and that the responding party indicated that they would send an email with a code that needed to be entered on the website for that request.

The claimant states that, after several attempts, they did not receive any email from Aliexpress with the code.

Once the established deadline according to the aforementioned regulations has elapsed, their request did not receive the legally required response. The entity being claimed has not addressed the request from the claimant nor the requirements that have been sent to them by this Agency.

The aforementioned regulations do not allow the request to be overlooked as if it had not been made,

leaving it without the response that those responsible are obliged to issue, even in the event that there are no data of the interested party in the entity's files or even in those cases where the requirements are not met, in which case the recipient of such a request is also obliged to require the rectification of the observed deficiencies or, if applicable, to deny the request with justification indicating the reasons why the right in question cannot be considered.

Therefore, the request made obliges the responsible party to provide an express response, in any case, using any means that justifies the receipt of the response.

Given that a copy of the necessary communication that must be directed to the claimant informing them about the decision made regarding the exercise of rights has not been provided, it is appropriate to uphold the claim that initiated this procedure.

In view of the cited provisions and other generally applicable regulations, the Director of the Spanish Agency for Data Protection RESOLVES:

FIRST: TO UPHOLD the claim made by Mr. A.A.A. considering that the provisions of Article 17 of the GDPR have been infringed and to urge ALIBABA COM SINGAPORE E-COMMERCE PRIVATE LIMITED to, within ten working days following the notification of this resolution, send the claimant a certification addressing the requested right or denying it with justification indicating the reasons why the request cannot be attended to, in accordance with the provisions established in the body of this resolution. The actions taken as a result of this Resolution must be communicated to this Agency within the same timeframe. Failure to comply with this resolution could result in the commission of an infringement of Article 83.6 of the GDPR, classified as very serious for the purposes of prescription in Article 72.1.m) of the LOPDGDD, which will be sanctioned in accordance with Article 58.2 of the GDPR.

SECOND: NOTIFY this resolution to Mr. A.A.A. and to ALIBABA COM SINGAPORE E-COMMERCE PRIVATE LIMITED.

In accordance with the provisions of Article 50 of the LOPDGDD, this Resolution will be made public once it has been notified to the interested parties.

Against this resolution, which concludes the administrative process in accordance with Article 48.6 of the LOPDGDD, and in accordance with the provisions of Article 123 of the LPACAP, the interested parties may optionally file a motion for reconsideration before the Director of the Spanish Agency for Data Protection within one month from the day following the notification of this resolution or directly file an administrative contentious appeal before the Administrative Court of the National Court, in accordance with the provisions of Article 25 and in section 5 of the fourth additional provision of Law 29/1998, of July 13, regulating the Administrative Jurisdiction, within two months from the day following the notification of this act, as provided in Article 46.1 of the aforementioned Law.
