## RESOLUTION OF RIGHTS PROCEDURE

After carrying out the procedural actions provided for in Title VIII of Organic Law 3/2018, of December 5, on the Protection of Personal Data and Guarantee of Digital Rights (hereinafter LOPDGDD), the following FACTS have been established:

FIRST: Mr. A.A.A. (hereinafter, the claimant) exercised the right to erasure against GRUPO ECONOMICASA, S.L. (hereinafter, the respondent) without receiving the legally established response to his request.

The claimant states that on June 11, 2022, he requested the erasure of his data from the respondent via an email sent to the email address [privacidad@economicasa.es](mailto:privacidad@economicasa.es), without having received a response after the legally established period had elapsed. On August 3 and 26, 2022, he sent new emails, again without receiving a response. He provides copies of the requests made and the emails sent.

SECOND: In accordance with Article 65.4 of the LOPDGDD, this complaint was forwarded to the respondent for analysis and to inform this Agency within one month of the actions taken to comply with the requirements set forth in data protection regulations.

There is no record that the respondent has submitted any written response to this Agency.

THIRD: The result of the transfer procedure indicated in the previous Fact did not allow for the understanding that the claims of the claimant were satisfied. Consequently, on March 27, 2023, for the purposes provided for in Article 64.1 of the LOPDGDD, the Director of the Spanish Data Protection Agency agreed to admit the complaint for processing.

The aforementioned agreement granted the respondent a hearing period, to present any arguments they deemed appropriate within ten working days, stating that

"This file is related to the opened file No. EXP202300859, of Mrs. B.B.B., wife of Mr. A.A.A., who submits this complaint with No. EXP202300838; the documentation referred to was destroyed from the moment they decided not to continue with the operation."

#### Competence

In accordance with the powers granted to each supervisory authority by Article 58.2 of Regulation (EU) 2016/679 (General Data Protection Regulation, hereinafter GDPR), and as established in Articles 47, 48.1, and 64.1 of the LOPDGDD, the Director of the Spanish Data Protection Agency is competent to initiate and resolve this procedure.

Furthermore, Article 63.2 of the LOPDGDD states: "The procedures processed by the Spanish Data Protection Agency will be governed by the provisions of Regulation (EU) 2016/679, by this organic law, by the regulatory provisions issued in its development, and, as long as they do not contradict them, subsidiarily by the general rules on administrative procedures."

### II

#### Preliminary Issues

In accordance with the provisions of Article 55 of the GDPR, the Spanish Data Protection Agency is competent to perform the functions assigned to it in Article 57, including the enforcement of the Regulation and promoting awareness among data controllers and processors regarding their obligations, as well as addressing complaints submitted by a data subject and investigating the

reasons for them.

Correspondingly, Article 31 of the GDPR establishes the obligation of data controllers and processors to cooperate with the supervisory authority that requests it in the performance of its functions. In cases where they have appointed a data protection officer, Article 39 of the GDPR assigns this officer the function of cooperating with that authority.

In accordance with this regulation, prior to the admission for processing of the complaint that gives rise to this procedure, it was forwarded to the respondent for analysis, to respond to this Agency within one month, and to prove that they had provided the claimant with the appropriate response, in the event of exercising the rights regulated in Articles 15 to 22 of the GDPR.

The result of this transfer did not allow for the understanding that the claims of the claimant were satisfied. Consequently, on March 27, 2023, for the purposes provided for in Article 64.2 of the LOPDGDD, the Director of the Spanish Data Protection Agency agreed to admit the complaint for processing. This admission agreement determines the opening of the present procedure for failure to respond to a request for the exercise of the rights established in Articles 15 to 22 of the GDPR, regulated in Article 64.1 of the LOPDGDD, according to which:

“1. When the procedure refers exclusively to the failure to respond to a request for the exercise of the rights established in Articles 15 to 22 of the...

Regulation (EU) 2016/679 will be initiated by an admission agreement, which will be adopted in accordance with the provisions set forth in the following article.

In this case, the deadline for resolving the procedure will be six months from the date on which the agreement of admission was notified to the complainant. After this period, the interested party may consider their complaint accepted.

The clarification of administrative responsibilities within the framework of a sanctioning procedure is not deemed appropriate, given that its exceptional nature implies that, whenever possible, preference should be given to alternative mechanisms that are supported by current regulations.

It is the exclusive competence of this Agency to assess whether there are administrative responsibilities that need to be clarified in a sanctioning procedure and, consequently, the decision regarding its initiation, with no obligation to initiate a procedure based on any request made by a third party. Such a decision must be based on the existence of elements that justify the initiation of sanctioning activity, circumstances that do not occur in the present case, considering that the present procedure duly restores the guarantees and rights of the complainant.

Rights of individuals regarding the protection of personal data

The rights of individuals regarding the protection of personal data are regulated in Articles 15 to 22 of the GDPR and Articles 13 to 18 of the LOPDGDD. The rights of access, rectification, erasure, objection, the right to restriction of processing, and the right to data portability are contemplated.

The formal aspects related to the exercise of these rights are established in Articles 12 of the GDPR and 12 of the LOPDGDD.

Additionally, the provisions expressed in Recitals 59 and following of the GDPR are taken into account. In accordance with the provisions of these regulations, the data controller must establish formulas and mechanisms to facilitate the exercise of rights by the interested party, which will be free of charge (without prejudice to the provisions of Articles 12.5 and 15.3 of the GDPR), and is obliged to respond to requests made no later than one month, unless it can demonstrate that it is unable to identify the interested party, and to express its reasons in case it does not intend to comply with such a request. The burden of proof regarding compliance with the obligation to respond to the request for the exercise of rights made by the affected party lies with the data controller.

The communication addressed to the interested party in connection with their request must be

expressed in a concise, transparent, intelligible, and easily accessible manner, using clear and simple language.

3. Paragraphs 1 and 2 shall not apply to the extent that processing is necessary:

- a) for exercising the right of freedom of expression and information;
- b) for compliance with a legal obligation which requires processing by Union or Member State law to which the data controller is subject, or for the performance of a task carried out in the public interest or in the exercise of official authority vested in the controller;
- c) for reasons of public interest in the area of public health in accordance with Article 9(2)(h) and (i), and paragraph 3;
- d) for archiving purposes in the public interest, scientific or historical research purposes or statistical purposes in accordance with Article 89(1), insofar as the right referred to in paragraph 1 is likely to render impossible or seriously impair the achievement of the objectives of that processing, or
- e) for the establishment, exercise or defense of legal claims."

V

Conclusion

During the processing of this procedure, the entity being claimed has responded to this Agency, but it does not demonstrate having addressed the request made by the claimant, sending the required response to their request.

Thus, it cannot be accepted that the response that corresponds to be given can be expressed merely

as part of an administrative procedure, such as the submission of allegations in the present procedure, which was initiated precisely for not adequately addressing the request in question.

The aforementioned rules do not allow for the request to be overlooked as if it had not been made, leaving it without the response that the responsible parties must issue, even in the event that there are no data in the files or even in those cases where it does not meet the stipulated requirements, in which case the recipient of such a request is also obliged to require the rectification of the observed deficiencies or, where appropriate, to deny the request with justification indicating the reasons why it is not appropriate to consider the right in question.

Therefore, the request made obliges the responsible party to provide an express response in all cases, using any means that justifies the receipt of the response.

Given that a copy of the necessary communication that must be directed to the claimant informing them about the decision adopted regarding the exercise of rights request is not attached, it is appropriate to uphold the claim that originated this procedure.

In view of the cited provisions and others of general application, the Director of the Spanish Agency for Data Protection RESOLVES:

FIRST: TO UPHOLD the claim made by Mr. A.A.A. considering that the provisions of Article 17 of the GDPR have been infringed and to urge GRUPO ECONOMICASA, S.L. with NIF B73665291, to send to the claimant, within ten working days following the notification of this resolution, a certification addressing the requested right or denying it with justification indicating the reasons why it is not appropriate to address the request, in accordance with the provisions established in the body of this resolution. The actions taken as a consequence of this Resolution must be communicated to this Agency within the same period. Non-compliance with this resolution could constitute an infringement of Article 83.6 of the GDPR, classified as very serious for the purposes of prescription in Article 72.1.m) of the LOPDGDD, which will be sanctioned in accordance with Article 58.2 of the GDPR.

SECOND: NOTIFY this resolution to Mr. A.A.A. and to GRUPO ECONOMICASA, S.L.

In accordance with the provisions of Article 50 of the LOPDGDD, this Resolution will be made public once it has been notified to the interested parties.

Against this resolution, which concludes the administrative procedure in accordance with Article 48.6 of the LOPDGDD, and in accordance with the provisions of Article 123 of the LPACAP, the interested parties may optionally file a motion for reconsideration before the Director of the Spanish Agency for Data Protection within one month from the day following the notification of this resolution or directly file a contentious-administrative appeal before the Contentious-Administrative Chamber of the National Court, in accordance with the provisions of Article 25 and in section 5 of the fourth additional provision of Law 29/1998, of July 13, regulating the Contentious-Administrative Jurisdiction, within two months from the day following the notification of this act, as provided in Article 46.1 of the aforementioned Law.
