RESOLUTION OF RIGHTS PROCEDURE

Considering the complaint registered on September 27, 2023, with this Agency and having carried out the procedural actions provided for in Title VIII of Organic Law 3/2018, of December 5, on the Protection of Personal Data and Guarantee of Digital Rights (hereinafter LOPDGDD), the following FACTS have been established:

FIRST: The complainant exercised the right of Erasure against the respondent, and their request, as stated by the complainant, did not receive the legally established response. The complainant provides various documents related to the complaint filed with this Agency and regarding the exercise of the right exercised.

SECOND: Once the procedure provided for in Article 65.4 of the LOPDGDD was fulfilled, the complaint was admitted for processing, and the respondent entity was granted a hearing period of ten working days to present any arguments they deemed appropriate. With their written arguments, the respondent entity has sent this Agency the response to the exercised right. However, they do not provide documentation that proves that the request for the exercise of rights has been duly responded to the interested party.

LEGAL GROUNDS

I

Competence

In accordance with the powers granted to each supervisory authority by Article 58.2 of Regulation (EU) 2016/679 (General Data Protection Regulation, hereinafter GDPR), and as established in Articles 47, 48.1, and 64.1 of Organic Law 3/2018, of December 5, on the Protection of Personal Data and Guarantee of Digital Rights (hereinafter, LOPDGDD), the Director of the Spanish Agency for Data Protection is competent to initiate and resolve this procedure. Furthermore, Article 63.2 of the LOPDGDD states: "The procedures processed by the Spanish Agency for Data Protection will be governed by the provisions of Regulation (EU) 2016/679, by this organic law, by the regulatory provisions issued in its development, and, in so far as they do not contradict them, subsidiarily by the general rules on administrative procedures."

Preliminary Issues

In accordance with the provisions of Article 55 of the GDPR, the Spanish Agency for Data Protection is competent to perform the functions assigned to it in Article 57, including the enforcement of the Regulation and promoting awareness among data controllers and processors regarding their obligations, as well as addressing complaints submitted by an interested party and investigating, as appropriate, the reasons for them. Correspondingly, Article 31 of the GDPR establishes the obligation of data controllers and processors to cooperate with the supervisory authority that requests it in the performance of its functions. In cases where they have designated a data protection officer, Article 39 of the GDPR assigns this officer the function of cooperating with that authority.

In accordance with this regulation, following the procedure provided for in Article 65.4 of the LOPDGDD, prior to the admission of the complaint regarding the exercise of the rights regulated in Articles 15 to 22 of the GDPR, which gives rise to this procedure, the complaint was forwarded to the respondent party for analysis, to respond to this Agency within one month, and to prove that they had provided the complainant with the appropriate response.

The result of this transfer did not allow for the understanding that the claims of the complainant were satisfied. Consequently, on December 27, 2023, for the purposes provided for in Articles 64.1 and 65

of the LOPDGDD, the complaint submitted was admitted for processing. This admission for processing determines the opening of the present procedure for the lack of attention to a request for the exercise of the rights established in Articles 15 to 22 of the GDPR, regulated in Article 64.1 of the LOPDGDD, which states:

"When the procedure refers exclusively to the lack of attention to a request for the exercise of the rights established in Articles 15 to 22 of Regulation (EU) 2016/679 of the European Parliament and of the Council, of April 27, 2016, it will be initiated by an admission agreement, which will be adopted in accordance with the provisions of Article 65 of this organic law.

In this case, the deadline for resolving the procedure will be six months from the date on which the agreement of admission to processing was notified to the complainant. After this period, the interested party may consider their complaint accepted."

Article 58.2 of the GDPR grants the Spanish Agency for Data Protection a series of corrective powers to correct any infringement of the GDPR, including "ordering the controller or processor to address the requests for the exercise of the rights of the interested party under this Regulation."

Rights of Individuals in the Field of Personal Data Protection

The rights of individuals regarding the protection of personal data are regulated in Articles 15 to 22 of the GDPR and Articles 13 to 18 of the LOPDGDD. The rights of access, rectification, erasure, objection, the right to restriction of processing, and the right to data portability are contemplated. The formal aspects related to the exercise of these rights are established in Articles 12 of the GDPR and 12 of the LOPDGDD.

Additionally, the provisions expressed in Recitals 59 and following of the GDPR are taken into account. In accordance with the provisions of these regulations, the data controller must establish formulas and mechanisms to facilitate the exercise of rights by the data subject, which shall be free of charge (without prejudice to the provisions of Articles 12.5 and 15.3 of the GDPR), and is obliged to respond to requests made no later than one month, unless it can demonstrate that it is unable to identify the data subject, and must state its reasons in case it does not intend to comply with such request. The burden of proof regarding compliance with the obligation to respond to the request for the exercise of rights made by the affected party lies with the data controller.

The communication addressed to the data subject regarding their request must be expressed in a concise, transparent, intelligible, and easily accessible manner, using clear and simple language. Regarding the right of access to personal data, in accordance with Article 13 of the LOPDGDD, when the exercise of the right refers to a large amount of data, the data controller may request the affected party to specify the "data or processing activities to which the request refers." The right will be understood as granted if the data controller provides remote access to the data, considering the request as attended (although the data subject may request the information referred to in the provisions of Article 15 of the GDPR).

The exercise of this right may be considered repetitive on more than one occasion during a period of six months, unless there is a legitimate reason for it.

On the other hand, the request will be considered excessive when the affected party chooses a means other than the one offered that incurs a disproportionate cost, which must be borne by the affected party.

IV

Conclusion

In the analyzed case, the complaining party exercised the right of Erasure regulated in Article 17 of the GDPR and Article 15 of the LOPDGDD.

After the period established in the aforementioned regulations, their request did not receive the legally

required response.

During the processing of this procedure, the entity being complained about has responded to this Agency, but does not prove to have attended to what was requested by the complainant by sending the required response to their request.

In this regard, it should be noted that it cannot be accepted that the response that corresponds to be made can be expressed in the context of a mere administrative procedure, such as the formulation of allegations regarding the present procedure, initiated precisely for not properly attending to the request in question.

The aforementioned regulations do not allow for the request to be overlooked as if it had not been raised, leaving it without the response that must be issued by the data controllers, even in cases where there are no data of the data subject in the entity's files or even in those cases where the requirements are not met, in which case the recipient of such request is also obliged to require the correction of the observed deficiencies or, if applicable, deny the request with reasons indicating the causes for which it is not appropriate to consider the right in question.

Therefore, the request made obliges the data controller to provide an express response, in any case, using any means that justifies the receipt of the response.

Since no copy of the necessary communication that must be directed to the complainant informing them about the decision made regarding the request for the exercise of rights is attached, it is appropriate to uphold the complaint that originated this procedure.

In view of the cited provisions and others of general application,
the Director of the Spanish Agency for Data Protection RESOLVES:

FIRST: TO UPHOLD the complaint made by A.A.A. considering that the provisions of Article 17 of the GDPR have been infringed and to urge WENANCE LENDING DE ESPAÑA, S.A., with NIF A67194746, to send the complainant a certification within ten working days from the date this resolution becomes firm and enforceable, addressing the exercised right of Erasure or denying it with reasons indicating the causes for which it is not appropriate to attend to the request, in accordance with the provisions established in the body of this resolution. The actions taken as a result of this Resolution must be communicated to this Agency within the same period. Non-compliance with this resolution could result in the commission of an infringement of Article 83.6 of the GDPR, classified as very serious for the purposes of prescription in Article 72.1.m) of the LOPDGDD, which will be sanctioned in accordance with Article 58.2 of the GDPR.

SECOND: NOTIFY this resolution to A.A.A. and to WENANCE LENDING DE ESPAÑA, S.A.

In accordance with the provisions of Article 50 of the LOPDGDD, this Resolution will be made public once it has been notified to the interested parties.
