

RESOLUTION OF RIGHTS PROCEDURE

Having reviewed the complaint registered on April 17, 2024, with this Agency and having carried out the procedural actions provided for in Title VIII of Organic Law 3/2018, of December 5, on the Protection of Personal Data and the Guarantee of Digital Rights (hereinafter LOPDGDD), the following FACTS have been established:

FIRST: A.A.A. (hereinafter, the complainant) exercised the rights of Access and Deletion against ARCONADA 1932, S.L. (hereinafter, the respondent) without receiving the legally established response to their request.

The complainant states that on November 10, 2024, they exercised their rights of access and deletion against the entity ARCONADA 1932, S.L., the respondent, without having received any response.

SECOND: In accordance with Article 65.4 of Organic Law 3/2018, of December 5, on the Protection of Personal Data and the Guarantee of Digital Rights (hereinafter LOPDGDD), this complaint was forwarded to the respondent for analysis and to inform this Agency within one month of the actions taken to comply with the requirements set forth in data protection regulations.

THIRD: The result of the transfer procedure indicated in the previous Fact did not allow for the understanding that the complainant's claims were satisfied. Consequently, on July 17, 2024, for the purposes provided for in Article 64.1 of the LOPDGDD, the Director of the Spanish Agency for the Protection of Data decided to admit the complaint for processing.

The aforementioned agreement granted the respondent a hearing period, during which they were to submit any arguments they deemed appropriate within ten business days, but no arguments were submitted within the established timeframe.

LEGAL GROUNDS

I

Competence

In accordance with the powers granted to each supervisory authority by Article 58.2 of Regulation (EU) 2016/679 (General Data Protection Regulation, hereinafter GDPR), and as established in Articles 47, 48.1, and 64.1 of Organic Law 3/2018, of December 5, on the Protection of Personal Data and the Guarantee of Digital Rights (hereinafter LOPDGDD), the Director of the Spanish Agency for the Protection of Data is competent to initiate and resolve this procedure.

Furthermore, Article 63.2 of the LOPDGDD states: "The procedures processed by the Spanish Agency for the Protection of Data shall be governed by the provisions of Regulation (EU) 2016/679, this organic law, the regulatory provisions issued for its development, and, to the extent that they do not contradict them, by the general rules on administrative procedures."

II

Preliminary Issues

In accordance with the provisions of Article 55 of the GDPR, the Spanish Agency for the Protection of Data is competent to perform the functions assigned to it in Article 57, including the enforcement of the Regulation and promoting awareness among data controllers and processors regarding their obligations, as well as addressing complaints filed by an interested party and investigating, as appropriate, the reasons for such complaints.

Correspondingly, Article 31 of the GDPR establishes the obligation of data controllers and processors to cooperate with the supervisory authority that requests it in the performance of its functions. In cases where they have appointed a data protection officer, Article 39 of the GDPR assigns this officer the function of cooperating with that authority.

In accordance with this regulation, following the procedure provided for in Article 65.4 of the LOPDGDD, prior to the admission of the complaint regarding the exercise of the rights regulated in Articles 15 to 22 of the GDPR, which gives rise to this procedure, the complaint was forwarded to the respondent for analysis, to respond to this Agency within one month, and to demonstrate that they had

provided the complainant with the appropriate response.

The result of this transfer did not allow for the understanding that the complainant's claims were satisfied. Consequently, on July 17, 2024, for the purposes provided for in Articles 64.1 and 65 of the LOPDGDD, the complaint was admitted for processing. This admission for processing determines the opening of the present procedure for the lack of attention to a request for the exercise of the rights established in Articles 15 to 22 of the GDPR, regulated in Article 64.1 of the LOPDGDD, according to which:

"When the procedure refers exclusively to the lack of attention to a request for the exercise of the rights established in Articles 15 to 22 of Regulation (EU) 2016/679 of the European Parliament and of the Council, of April 27, 2016, it shall be initiated by an admission agreement, which shall be adopted in accordance with the provisions of Article 65 of this organic law.

In this case, the deadline for resolving the procedure shall be six months from the date on which the complainant was notified of the admission agreement to process."

procedure. After this period, the interested party may consider their claim accepted."

Article 58.2 of the GDPR grants the Spanish Data Protection Agency a series of corrective powers for the purpose of rectifying any infringement of the GDPR, including "ordering the controller or processor to address requests for the exercise of the rights of the data subject under this Regulation."

III

Rights of individuals regarding personal data protection

The rights of individuals regarding personal data protection are regulated in Articles 15 to 22 of the GDPR and Articles 13 to 18 of the LOPDGDD. These include the rights of access, rectification, erasure, objection, the right to restriction of processing, and the right to data portability.

The formal aspects related to the exercise of these rights are established in Articles 12 of the GDPR and 12 of the LOPDGDD.

Additionally, consideration is given to the provisions expressed in Recitals 59 and following of the GDPR.

In accordance with the provisions of these regulations, the data controller must establish formulas and mechanisms to facilitate the exercise of rights by the data subject, which shall be free of charge (without prejudice to the provisions of Articles 12.5 and 15.3 of the GDPR), and is obliged to respond to requests made no later than one month, unless it can demonstrate that it is unable to identify the data subject, and to state its reasons in the event that it does not intend to comply with such request. The burden of proof regarding compliance with the obligation to respond to the request for the exercise of rights made by the affected party lies with the controller.

The communication addressed to the data subject regarding their request must be expressed in a concise, transparent, intelligible, and easily accessible manner, using clear and simple language.

IV

Right of access

In accordance with Article 15 of the GDPR and Article 13 of the LOPDGDD, "the data subject has the right to obtain from the data controller confirmation as to whether or not personal data concerning them is being processed and, if so, the right of access to the personal data."

Regarding the right of access to personal data, according to Article 13 of the LOPDGDD, when the exercise of the right refers to a large amount of data, the controller may request the affected party to specify the "data or processing activities to which the request refers." The right shall be considered granted if the controller provides remote access to the data, considering the request fulfilled (although the data subject may request information regarding the aspects provided for in Article 15 of the GDPR).

The exercise of this right may be considered repetitive if it is exercised more than once within a

six-month period, unless there is a legitimate reason for doing so.

On the other hand, the request will be considered excessive when the affected party chooses a means other than that offered which incurs a disproportionate cost, which must be borne by the affected party. Like the other rights of the data subject, the right of access is a personal right. It allows the citizen to obtain information about the processing of their data, the possibility of obtaining a copy of the personal data concerning them that is being processed, as well as information, in particular, about the purposes of the processing, the categories of personal data concerned, the recipients or categories of recipients to whom the data may be communicated, the expected retention period or criteria for retention, the possibility of exercising other rights, the right to lodge a complaint with the supervisory authority, the available information about the source of the data (if it has not been obtained directly from the data subject), the existence of automated decision-making, including profiling, and information about transfers of personal data to a third country or to an international organization. The possibility of obtaining a copy of the personal data being processed shall not adversely affect the rights and freedoms of others.

V

Right to erasure

Article 17 of the GDPR, which regulates the right to erasure of personal data, establishes the following:

“1. The data subject shall have the right to obtain from the data controller the erasure of personal data concerning them without undue delay, and the controller shall be obliged to erase personal data without undue delay when one of the following circumstances applies:

- a) the personal data are no longer necessary in relation to the purposes for which they were collected or otherwise processed;
- b) the data subject withdraws consent on which the processing is based in accordance with Article 6(1)(a) or Article 9(2)(a), and where there is no other legal ground for the processing;
- c) the data subject objects to the processing pursuant to Article 21(1), and there are no overriding legitimate grounds for the processing, or the data subject objects to the processing pursuant to Article 21(2);
- d) the personal data have been unlawfully processed;
- e) the personal data must be erased for compliance with a legal obligation in Union or Member State law to which the controller is subject;
- f) the personal data have been collected in relation to the offer of information society services referred to in Article 8(1).

2. When personal data has been made public and the data controller is obliged, under the provisions of paragraph 1, to delete such data, the data controller, taking into account the available technology and the cost of its application, shall adopt reasonable measures, including technical measures, to inform controllers processing the personal data of the data subject's request for deletion of any link to such personal data, or any copy or replica thereof.

3. Paragraphs 1 and 2 shall not apply when the processing is necessary:

- a) to exercise the right to freedom of expression and information;
- b) for compliance with a legal obligation requiring the processing of data imposed by Union or Member State law applicable to the data controller, or for the performance of a task carried out in the public interest or in the exercise of official authority vested in the controller;
- c) for reasons of public interest in the area of public health in accordance with Article 9, paragraph 2, letters h) and i), and paragraph 3;
- d) for archiving purposes in the public interest, scientific or historical research purposes, or statistical purposes, in accordance with Article 89, paragraph 1, to the extent that the right referred to in paragraph 1 could make it impossible or seriously impede the achievement of the objectives of that

processing, or

e) for the establishment, exercise, or defense of legal claims.

VI

Conclusion

In the case analyzed here, the claimant exercised their right of Access and Deletion regulated in Article 15 of the GDPR and Article 13 of the LOPDGDD and in Article 17 of the GDPR and Article 15 of the LOPDGDD respectively.

After the period established in accordance with the aforementioned regulations, their request did not receive the legally required response. The entity being claimed has not attended to the request of the claimant, nor to the request for information and the allegations procedure that have been sent to it by this Agency.

The aforementioned regulations do not allow the request to be overlooked as if it had not been made, leaving it without the response that the controllers are obliged to issue, even in cases where there are no data in the files or even in those cases where the requirements set forth are not met, in which case the recipient of such request is also obliged to require the correction of the observed deficiencies or, if applicable, to deny the request with justification indicating the reasons why the right in question should not be considered.

Therefore, the request made obliges the controller to provide an express response in all cases, using any means that justifies the receipt of the response.

Given that no copy of the necessary communication that must be directed to the claimant informing them about the decision taken regarding the exercise of rights request is attached, it is appropriate to uphold the claim that initiated this procedure.

In view of the cited provisions and others of general application, the Director of the Spanish Data Protection Agency RESOLVES:

FIRST: TO UPHOLD the claim made by A.A.A. considering that the provisions of Article 15 of the GDPR and Article 17 of the GDPR have been infringed and to urge ARCONADA 1932, S.L. with NIF B26555664, to send to the claimant, within ten working days following the notification of this resolution, a certification addressing the requested right or a motivated denial indicating the reasons why the request cannot be met, in accordance with the provisions established in the body of this resolution.

The actions taken as a result of this Resolution must be communicated to this Agency within the same period. Non-compliance with this resolution could result in the commission of an infringement of art. 83.6 of the GDPR, classified as very serious for the purposes of prescription in Article 72.1.m) of the LOPDGDD, which will be sanctioned in accordance with art. 58.2 of the GDPR.

SECOND: NOTIFY this resolution to A.A.A. and to ARCONADA 1932, S.L.

In accordance with the provisions of Article 50 of the LOPDGDD, this Resolution will be made public once it has been notified to the interested parties.

Against this resolution, which concludes the administrative procedure in accordance with art. 48.6 of the LOPDGDD, and in accordance with the provisions of Article 123 of the LPACAP, the interested parties may optionally file a motion for reconsideration before the Director of the Spanish Data Protection Agency within one month from the day following the notification of this resolution or directly file a contentious-administrative appeal before the Contentious-Administrative Chamber of the National Court, in accordance with the provisions of Article 25 and paragraph 5 of the fourth additional provision of Law 29/1998, of July 13, regulating the Contentious-Administrative Jurisdiction, within two months from the day following the notification of this act, as provided in Article 46.1 of the aforementioned Law.
