RESOLUTION OF RECOURSE FOR RECONSIDERATION

Examined the recourse for reconsideration filed by A.A.A. (hereinafter, the appellant), against the resolution issued by the Director of the Spanish Agency for Data Protection, dated June 10, 2022, and based on the following:

FACTS

FIRST: On March 11, 2022, a complaint was received at the Spanish Agency for Data Protection (hereinafter, AEPD) from the GUARDIA CIVIL - PUESTO DE BERRAIN regarding A.A.A.

SECOND: On June 10, 2022, a resolution was issued by the Director of the Spanish Agency for Data Protection in file EXP202203092. The resolution was notified to the appellant through the publication of the notification announcement in the Official State Gazette dated June 24, 2022, after having been returned to sender due to incorrect address and, therefore, could not be executed, as stipulated in Article 44 of Law 39/2015, of October 1, on the Common Administrative Procedure of Public Administrations, as evidenced in the file.

THIRD: On March 14, 2023, a recourse for reconsideration was registered at the AEPD filed by the appellant against the resolution indicated in the previous point, in which they express their disagreement with it.

To the above facts, the following legal grounds apply:

LEGAL GROUNDS

I

Competence

The Director of the Spanish Agency for Data Protection is competent to resolve this recourse in accordance with the provisions of Article 123 of Law 39/2015, of October 1, on the Common Administrative Procedure of Public Administrations (hereinafter LPACAP) and Article 48.1 of Organic Law 3/2018, of December 5, on the Protection of Personal Data and Guarantee of Digital Rights (hereinafter, LOPDGDD).

II

Grounds for inadmissibility

Article 116 of the LPACAP establishes in its letter d) as a ground for inadmissibility of administrative recourses "Having elapsed the period for filing the recourse."

III

Calculation of the filing period

According to the provisions of Article 124 of the LPACAP: "The period for filing the recourse for reconsideration shall be one month, if the act is express."

Article 119 of this law adds that: "The resolution of the recourse shall uphold in whole or in part or dismiss the claims made therein or declare its inadmissibility."

Regarding the calculation of the specified period, it must be attended to the provisions of paragraph 4 of Article 30 of the LPACAP which states: "If the period is set in months or years, these shall be computed from the day following that on which the notification or publication of the act in question takes place, or from the day following that on which the estimation or dismissal by administrative silence occurs.

The period shall conclude on the same day on which the notification, publication, or administrative silence occurred in the month or year of expiration. If in the month of expiration there is no equivalent day to that on which the computation begins, it shall be understood that the period expires on the last day of the month."

In this case, the resolution of the Director of the Spanish Agency for Data Protection dated June 10, 2022, was published in the Single Edict Board of the Official State Gazette on June 24, 2022, with no appearance of the appellant within the 10 working days provided in the announcement, so the resolution must be understood as executed on July 11, 2022, and the recourse for reconsideration was filed on March 13, 2023.

Therefore, it can be concluded that the filing of the recourse for reconsideration on the indicated date

exceeds the legally established filing period, so the recourse must be declared inadmissible due to being out of time.

In view of the cited provisions and others of general application, the Director of the Spanish Agency for Data Protection RESOLVES:

FIRST: TO DECLARE INADMISSIBLE the recourse for reconsideration filed by A.A.A. against the resolution of this Agency, issued on June 10, 2022, in file EXP202203092.

SECOND: TO NOTIFY this resolution to A.A.A.

Against this resolution, which concludes the administrative procedure, a contentious-administrative appeal may be filed within two months from the day following the notification of this act, as provided in Article 46.1 of Law 29/1998, of July 13, regulating the Contentious-Administrative Jurisdiction, before the Contentious-Administrative Chamber of the National Court, in accordance with the provisions of Article 25 and paragraph 5 of the fourth additional provision of the aforementioned Law.
