RESOLUTION OF RIGHTS PROCEDURE

After carrying out the procedural actions provided for in Title VIII of Organic Law 3/2018, of December 5, on the Protection of Personal Data and Guarantee of Digital Rights (hereinafter LOPDGDD), the following FACTS have been established:

FIRST: A.A.A. (hereinafter, the claimant) exercised the right of Erasure against COMUNIDAD DE PROPIETARIOS R.R.R. (hereinafter, the respondent) without their request having received the legally established response.

The claimant states that they have been included as a debtor in the notice of a meeting held on June 28, 2023. They also question the veracity of the debt and, through a burofax sent to the property management and the community of owners on June 23, 2023, request the erasure of their personal data related to said debt, having received no response.

They provide a copy of the notice of the extraordinary general meeting dated June 22, 2023, the aforementioned burofax, and the minutes of the mentioned meeting.

SECOND: In accordance with Article 65.4 of Organic Law 3/2018, of December 5, on the Protection of Personal Data and Guarantee of Digital Rights (hereinafter LOPDGDD), this complaint was forwarded to the respondent for analysis and to inform this Agency within one month of the actions taken to comply with the requirements set forth in data protection regulations.

THIRD: The result of the transfer procedure indicated in the previous Fact did not allow for the understanding that the claims of the claimant were satisfied. Consequently, on November 30, 2023, for the purposes provided for in Article 64.1 of the LOPDGDD, the Director of the Spanish Agency for the Protection of Data agreed to admit the complaint for processing.

The aforementioned agreement granted the respondent a hearing period, to present any arguments they deemed appropriate within ten business days.

The respondent provides documentation indicating that the claimant has an outstanding debt with the respondent.

FOURTH: After examining the document submitted by the respondent, it is forwarded to the claimant, so that, within ten business days, they may present any arguments they consider appropriate.

The claimant alleges that the debt being claimed is not justified and states:

"...the reported Community of Owners, and on behalf of this the property management, by including the claimant's identification in a 'List of Debts of Owners' without having previously followed the legally established procedure to consider them as a debtor, not only implies that data of the claimant is being ceded or disclosed in an 'excessive' and 'without consent' manner, but also in an 'illicit' and 'inaccurate' manner..."

LEGAL GROUNDS

I

Competence

In accordance with the powers granted to each supervisory authority by Article 58.2 of Regulation (EU) 2016/679 (General Data Protection Regulation, hereinafter GDPR), and as established in Articles 47, 48.1, and 64.1 of Organic Law 3/2018, of December 5, on the Protection of Personal Data and Guarantee of Digital Rights (hereinafter LOPDGDD), the Director of the Spanish Agency for the Protection of Data is competent to initiate and resolve this procedure.

Furthermore, Article 63.2 of the LOPDGDD states: "The procedures processed by the Spanish Agency for the Protection of Data shall be governed by the provisions of Regulation (EU) 2016/679, by this organic law, by the regulatory provisions issued in its development, and, as long as they do not contradict them, subsidiarily by the general rules on administrative procedures."

II

Preliminary Issues

In accordance with the provisions of Article 55 of the GDPR, the Spanish Agency for the Protection of Data is competent to perform the functions assigned to it in Article 57, including the enforcement of the Regulation and promoting awareness among controllers and processors regarding their obligations, as well as addressing complaints filed by a data subject and investigating, as appropriate, the reasons for them.

Correspondingly, Article 31 of the GDPR establishes the obligation of controllers and processors to cooperate with the supervisory authority that requests it in the performance of its functions. In cases where they have appointed a data protection officer, Article 39 of the GDPR assigns this role the function of cooperating with that authority.

In accordance with this regulation, following the procedure provided for in Article 65.4 of the LOPDGDD, prior to the admission of the complaint regarding the exercise of the rights regulated in Articles 15 to 22 of the GDPR, which gives rise to this procedure, it was forwarded to the respondent for analysis, to respond to this Agency within one month, and to demonstrate that they had provided the claimant with the appropriate response.

The result of this transfer did not allow for the satisfaction of the claims of the complaining party. Consequently, on November 30, 2023, for the purposes provided in Articles 64.1 and 65 of the LOPDGDD, the complaint submitted was admitted for processing. This admission for processing determines the opening of the present procedure regarding the lack of attention to a request for the exercise of the rights established in Articles 15 to 22 of the GDPR, regulated in Article 64.1 of the LOPDGDD, according to which:

“When the procedure refers exclusively to the lack of attention to a request for the exercise of the rights established in Articles 15 to 22 of Regulation (EU) 2016/679 of the European Parliament and of the Council, of April 27, 2016, it will be initiated by an admission agreement, which will be adopted in accordance with the provisions of Article 65 of this organic law.

In this case, the deadline for resolving the procedure will be six months from the date on which the admission agreement was notified to the complainant. Once that period has elapsed, the interested party may consider their complaint to be upheld.”

Article 58.2 of the GDPR grants the Spanish Agency for Data Protection a series of corrective powers for the purpose of rectifying any infringement of the GDPR, including “ordering the controller or processor to address the requests for the exercise of the rights of the data subject under this Regulation.”

III

Rights of individuals regarding personal data protection

The rights of individuals regarding personal data protection are regulated in Articles 15 to 22 of the GDPR and Articles 13 to 18 of the LOPDGDD. The rights of access, rectification, erasure, objection, the right to restriction of processing, and the right to data portability are contemplated.

The formal aspects related to the exercise of these rights are established in Articles 12 of the GDPR and 12 of the LOPDGDD.

Additionally, consideration is given to what is expressed in Recitals 59 and following of the GDPR.

In accordance with the provisions of these regulations, the data controller must establish formulas and mechanisms to facilitate the exercise of rights by the data subject, which will be free of charge (without prejudice to the provisions of Articles 12.5 and 15.3 of the GDPR), and is obliged to respond to requests made no later than one month, unless it can demonstrate that it is unable to identify the data subject, and to express its reasons in case it does not intend to address such request. The burden of proof regarding compliance with the duty to respond to the request for the exercise of rights made by the affected party lies with the controller.

The communication addressed to the data subject regarding their request must be expressed in a concise, transparent, intelligible, and easily accessible manner, using clear and simple language.

- a) the personal data are no longer necessary in relation to the purposes for which they were collected or otherwise processed;

- f) the personal data have been collected in relation to the offer of information society services referred to in Article 8(1).

2. When the controller has made the personal data public and is obliged, under the provisions of paragraph 1, to erase such data, the controller, taking into account available technology and the cost of implementation, shall take reasonable steps, including technical measures, to inform controllers that are processing the personal data of the data subject's request for erasure of any links to those personal data, or any copies or replications of them.

3. Paragraphs 1 and 2 shall not apply where the processing is necessary:

- a) for exercising the right of freedom of expression and information;
- b) for compliance with a legal obligation which requires processing by Union or Member State law to which the controller is subject, or for the performance of a task carried out in the public interest or in the exercise of official authority vested in the controller;
- c) for reasons of public interest in the area of public health in accordance with Article 9(2)(h) and (i), and paragraph 3;
- d) for archiving purposes in the public interest, scientific or historical research purposes or statistical purposes in accordance with Article 89(1), insofar as the right referred to in paragraph 1 is likely to make impossible or seriously impede the achievement of the objectives of that processing, or

Conclusion

During the processing of this procedure, the entity being claimed has responded to this Agency, but it does not prove to have addressed the request made by the claiming party, sending the required response to their request.

In the case at hand, there is a discrepancy between the parties regarding an economic issue that they must resolve in the appropriate forums, as it is not within the duties of this Agency.

What is our duty, however, is that it cannot be accepted that the response that corresponds to be given may manifest itself as a mere administrative procedure, such as the formulation of allegations in

connection with the present procedure, initiated precisely for not adequately addressing the request in question.

The aforementioned rules do not allow for the request to be overlooked as if it had not been raised, leaving it without the response that the responsible parties must issue, even in the event that there are no data in the files or even in those cases where it does not meet the stipulated requirements, in which case the recipient of such a request is also obliged to require the correction of the observed deficiencies or, if applicable, deny the request with justification indicating the reasons why the right in question should not be considered.

Therefore, the request made obliges the responsible party to provide an express response in all cases, using any means that justifies the receipt of the response.

Given that a copy of the necessary communication that must be directed to the claiming party informing them about the decision made regarding the request to exercise rights, addressing the request or denying it with justification, is not attached, it is appropriate to uphold the claim that originated this procedure.

In view of the cited provisions and others of general application, the Director of the Spanish Agency for Data Protection RESOLVES:

FIRST: TO UPHOLD the claim made by A.A.A. considering that the provisions of Article 17 of the GDPR have been infringed and to urge the COMMUNITY OF OWNERS R.R.R. with NIF ***NIF.1, to send, within ten working days following the notification of this resolution, a certification to the claiming party addressing the requested right or denying it with justification indicating the reasons why the request should not be attended to, in accordance with the provisions established in the body of this resolution. The actions taken as a result of this Resolution must be communicated to this Agency within the same period. Non-compliance with this resolution could result in the commission of an infringement of art. 83.6 of the GDPR, classified as very serious for the purposes of prescription in article 72.1.m) of the LOPDGDD, which will be sanctioned in accordance with art. 58.2 of the GDPR.

SECOND: NOTIFY this resolution to A.A.A. and to the COMMUNITY OF OWNERS R.R.R.

In accordance with the provisions established in article 50 of the LOPDGDD, this Resolution will be made public once it has been notified to the interested parties.

Against this resolution, which concludes the administrative procedure in accordance with art. 48.6 of the LOPDGDD, and in accordance with the provisions established in article 123 of the LPACAP, the interested parties may optionally file a motion for reconsideration before the Director of the Spanish Agency for Data Protection within one month from the day following the notification of this resolution or directly file an administrative contentious appeal before the Contentious-Administrative Chamber of the National Court, in accordance with the provisions of article 25 and section 5 of the fourth additional provision of Law 29/1998, of July 13, regulating the Contentious-Administrative Jurisdiction, within two months from the day following the notification of this act, as provided in article 46.1 of the aforementioned Law.
