

RESOLUTION OF RIGHTS PROCEDURE

Having reviewed the complaint registered on July 6, 2024, with this Agency and having carried out the procedural actions provided for in Title VIII of Organic Law 3/2018, of December 5, on the Protection of Personal Data and Guarantee of Digital Rights (hereinafter LOPDGDD), the following FACTS have been established:

FIRST: A.A.A. (hereinafter, the complainant) exercised the right of Erasure against SUEÑOS LOGÍSTICA, S.L. (hereinafter, the respondent) without their request receiving the legally established response.

The complainant states that on May 29, 2024, they sent an email to the respondent requesting the erasure of their data to the email address listed in the privacy policy section of their website.

Having not received a proper response after one month, on July 1, 2024, they sent another email requesting attention to their right, without having received a response either.

SECOND: In accordance with Article 65.4 of Organic Law 3/2018, of December 5, on the Protection of Personal Data and Guarantee of Digital Rights (hereinafter LOPDGDD), the complaint was forwarded to the respondent for analysis and to inform this Agency within one month of the actions taken to comply with the requirements set forth in data protection regulations.

THIRD: The result of the transfer procedure indicated in the previous Fact did not allow for the understanding that the complainant's claims were satisfied. Consequently, on October 6, 2024, for the purposes provided for in Article 64.1 of the LOPDGDD, the Director of the Spanish Agency for the Protection of Data agreed to admit the complaint for processing.

The aforementioned agreement granted the respondent a hearing period, so that within ten working days they could submit any arguments they deemed appropriate.

The respondent sent to this Agency on November 19, 2024, proof of sending a PDF document by email to the complainant, which included a completed request for the erasure of their data, missing only the complainant's signature. Informing them that once received, they would proceed with the erasure of their data and confirm it by email. They also provided the response given by the complainant to which they attached the already signed document. However, they did not send any subsequent response after receiving said document.

LEGAL GROUNDS

I

Competence

In accordance with the powers granted to each supervisory authority by Article 58.2 of Regulation (EU) 2016/679 (General Data Protection Regulation, hereinafter GDPR), and as established in Articles 47, 48.1, and 64.1 of Organic Law 3/2018, of December 5, on the Protection of Personal Data and Guarantee of Digital Rights (hereinafter LOPDGDD), the Presidency of the Spanish Agency for the Protection of Data is competent to initiate and resolve this procedure.

Furthermore, Article 63.2 of the LOPDGDD states that: "The procedures processed by the Spanish Agency for the Protection of Data shall be governed by the provisions of Regulation (EU) 2016/679, this organic law, the regulatory provisions issued in its development, and, in so far as they do not contradict them, by the general rules on administrative procedures in a subsidiary manner."

II

Preliminary Issues

In accordance with the provisions of Article 55 of the GDPR, the Spanish Agency for the Protection of Data is competent to perform the functions assigned to it in Article 57, including the enforcement of the Regulation and promoting awareness among controllers and processors regarding their obligations, as well as addressing complaints submitted by an interested party and investigating, as appropriate, the reasons for them.

Correspondingly, Article 31 of the GDPR establishes the obligation of controllers and processors to

cooperate with the supervisory authority that requests it in the performance of its functions. In cases where they have appointed a data protection officer, Article 39 of the GDPR assigns this function to cooperate with said authority.

In accordance with this regulation, following the procedure provided for in Article 65.4 of the LOPDGDD, prior to the admission of the complaint regarding the exercise of the rights regulated in Articles 15 to 22 of the GDPR, which gives rise to the present procedure, it was forwarded to the respondent for analysis, to respond to this Agency within one month, and to prove that they had provided the complainant with the due response.

The result of this transfer did not allow for the understanding that the complainant's claims were satisfied. Consequently, on October 6, 2024, for the purposes provided for in Articles 64.1 and 65 of the LOPDGDD, the complaint was admitted for processing. This admission for processing determines the opening of the present procedure.

Procedure for lack of attention to a request for the exercise of rights established in Articles 15 to 22 of the GDPR, regulated in Article 64.1 of the LOPDGDD, according to which:

“When the procedure refers exclusively to the lack of attention to a request for the exercise of the rights established in Articles 15 to 22 of Regulation (EU) 2016/679 of the European Parliament and of the Council, of April 27, 2016, it will be initiated by an admission agreement, which will be adopted in accordance with the provisions of Article 65 of this organic law.

In this case, the deadline for resolving the procedure will be six months from the date on which the admission agreement was notified to the complainant. Once this period has elapsed, the interested party may consider their complaint accepted.”

Article 58.2 of the GDPR grants the Spanish Data Protection Agency a series of corrective powers for the purpose of remedying any infringement of the GDPR, including “ordering the data controller or processor to address the requests for the exercise of the rights of the data subject under this Regulation.”

III

Rights of individuals regarding personal data protection

The rights of individuals regarding personal data protection are regulated in Articles 15 to 22 of the GDPR and Articles 13 to 18 of the LOPDGDD. The rights of access, rectification, erasure, objection, the right to restriction of processing, and the right to data portability are contemplated.

The formal aspects related to the exercise of these rights are established in Articles 12 of the GDPR and 12 of the LOPDGDD.

Additionally, consideration is given to what is expressed in Recitals 59 and following of the GDPR.

In accordance with the provisions of these regulations, the data controller must establish formulas and mechanisms to facilitate the exercise of rights by the interested party, which will be free of charge (without prejudice to the provisions of Articles 12.5 and 15.3 of the GDPR), and is obliged to respond to requests made no later than one month, unless they can demonstrate that they are unable to identify the interested party, and to express their reasons in case they do not intend to address such request. The burden of proof for compliance with the duty to respond to the request for the exercise of rights made by the affected party lies with the data controller.

The communication addressed to the interested party regarding their request must be expressed in a concise, transparent, intelligible, and easily accessible manner, using clear and simple language.

During the processing of this procedure, the entity being claimed has responded to this Agency, but has not demonstrated that it has addressed the request made by the claimant, sending the required response to their request.

Thus, it cannot be accepted that the response that should be given can be expressed merely as part of an administrative procedure, such as the submission of allegations in the context of this procedure, which was initiated precisely due to the failure to adequately address the request in question.

The aforementioned rules do not allow for the request to be overlooked as if it had not been raised, leaving it without the response that those responsible are obliged to issue, even in the event that there are no data in the files or even in those cases where the requirements set forth are not met, in which case the recipient of the request is also obliged to require the rectification of the observed deficiencies or, if applicable, to deny the request with justification indicating the reasons why it is not appropriate to

consider the right in question.

Therefore, the request made obliges the responsible party to provide an express response in all cases, using any means that justifies the receipt of the response.

Given that a copy of the necessary communication that must be directed to the claimant informing them about the decision made regarding the exercise of rights request is not attached, it is appropriate to uphold the claim that initiated this procedure.

In light of the cited provisions and others of general application, the Presidency of the Spanish Agency for Data Protection RESOLVES:

FIRST: TO UPHOLD the claim made by A.A.A. considering that Article 17 of the GDPR has been infringed and to urge SUEÑOS LOGÍSTICA, S.L. with NIF B64035801, to send to the claimant, within ten working days following the notification of this resolution, a certification addressing the requested right or denying it with justification indicating the reasons why it is not appropriate to address the request, in accordance with the provisions set forth in this resolution. The actions taken as a consequence of this Resolution must be communicated to this Agency within the same timeframe.

Non-compliance with this resolution could result in the commission of an infringement of Article 83.6 of the GDPR, classified as very serious for the purposes of prescription in Article 72.1.m) of the LOPDGDD, which will be sanctioned in accordance with Article 58.2 of the GDPR.

SECOND: NOTIFY this resolution to A.A.A. and to SUEÑOS LOGÍSTICA, S.L.

In accordance with the provisions of Article 50 of the LOPDGDD, this Resolution will be made public once it has been notified to the interested parties.

Against this resolution, which concludes the administrative procedure in accordance with Article 48.6 of the LOPDGDD, and in accordance with the provisions of Article 123 of the LPACAP, the interested parties may optionally file a motion for reconsideration before the Presidency of the Spanish Agency for Data Protection within one month from the day following the notification of this resolution or directly file a contentious-administrative appeal before the Contentious-Administrative Chamber of the National Court, in accordance with the provisions of Article 25 and paragraph 5 of the fourth additional provision of Law 29/1998, of July 13, regulating the Contentious-Administrative Jurisdiction, within two months from the day following the notification of this act, as provided in Article 46.1 of the aforementioned Law.
