RESOLUTION OF RIGHTS PROCEDURE

After carrying out the procedural actions provided for in Title VIII of Organic Law 3/2018, of December 5, on the Protection of Personal Data and Guarantee of Digital Rights (hereinafter LOPDGDD), the following FACTS have been established:

FIRST: On May 30, 2023, a complaint was received by this Agency submitted by A.A.A. (hereinafter, the complainant) against URBANCHECK (VIALE MEDIA, S.L.) (hereinafter, the respondent) for not having duly addressed their right to erasure.

On May 16, 2023, the complainant sent an email to the respondent at the address

lopdp@urbanchek.com requesting the complete erasure of their data from their website.

The request was reiterated on May 22 and 23, 2023. The complainant received a positive response from the responsible party (from the email address urbanchek.es@gmail.com) indicating that the data had been deleted. However, the affected party states that their username and password remain active on the website, receiving a response from the responsible party, from urbanchek.es@gmail.com, that due to having made purchases on their website, those data cannot be erased.

SECOND: In accordance with Article 65.4 of the LOPDGDD, the aforementioned complaint was forwarded to the respondent for analysis and to inform this Agency within one month of the actions taken to comply with the requirements set forth in data protection regulations.

The notification of this transfer, carried out by electronic notification, expired as the respondent did not access it.

Therefore, it was reiterated by postal mail, which was returned to this Agency due to an incorrect address.

THIRD: The result of the transfer procedure indicated in the previous Fact did not allow for the understanding that the complainant's claims were satisfied. Consequently, on August 30, 2023, for the purposes provided for in Article 64.1 of the LOPDGDD, the Director of the Spanish Agency for Data Protection agreed to admit the complaint for processing.

The aforementioned agreement granted the respondent a hearing, to present any arguments they deemed appropriate within ten working days.

The transfer of this agreement was returned to this Agency by the postal service with the annotation "Returned to origin due to unknown." Therefore, an investigation was conducted to verify the respondent's address, revealing an error in it, which was corrected and resent, being duly received, as evidenced by the delivery receipt issued by the postal service.

The respondent has stated that "(...) the URBANCHECK website has been non-operational and closed since last July 2023; therefore, currently, there are no personal data of the complainant in their possession."

LEGAL GROUNDS

I

Competence

In accordance with the powers granted to each supervisory authority by Article 58.2 of Regulation (EU) 2016/679 (General Data Protection Regulation, hereinafter GDPR), and as established in Articles 47, 48.1, and 64.1 of the LOPDGDD, the Director of the Spanish Agency for Data Protection is competent to initiate and resolve this procedure.

Furthermore, Article 63.2 of the LOPDGDD states: "The procedures processed by the Spanish Agency for Data Protection shall be governed by the provisions of Regulation (EU) 2016/679, this organic law,

the regulatory provisions issued in its development, and, in so far as they do not contradict them, subsidiarily by the general rules on administrative procedures."

II

Preliminary Issues

In accordance with the provisions of Article 55 of the GDPR, the Spanish Agency for Data Protection is competent to perform the functions assigned to it in Article 57, among them, to enforce the Regulation and promote awareness among controllers and processors regarding their obligations, as well as to handle complaints submitted by a data subject and investigate, as appropriate, the reasons for them. Correspondingly, Article 31 of the GDPR establishes the obligation of controllers and processors to cooperate with the supervisory authority that requests it in the performance of its functions. In cases where they have appointed a data protection officer, Article 39 of the GDPR assigns this officer the function of cooperating with that authority.

In accordance with this regulation, following the procedure provided for in Article 65.4 of the LOPDGDD, prior to the admission of the complaint regarding the exercise of the rights regulated in Articles 15 to 22 of the GDPR, which gives rise to this procedure, it was forwarded to the respondent for analysis, to respond to this Agency within one month, and to prove that they had provided the complainant with the appropriate response.

The result of this transfer did not allow for the satisfaction of the claims of the complaining party. Consequently, on August 30, 2023, for the purposes provided in Articles 64.1 and 65 of the LOPDGDD, the complaint submitted was admitted for processing. This admission for processing determines the initiation of the present procedure regarding the lack of attention to a request for the exercise of the rights established in Articles 15 to 22 of the GDPR, regulated in Article 64.1 of the LOPDGDD, according to which:

"When the procedure refers exclusively to the lack of attention to a request for the exercise of the rights established in Articles 15 to 22 of Regulation (EU) 2016/679 of the European Parliament and of the Council, of April 27, 2016, it shall be initiated by an admission agreement, which shall be adopted in accordance with the provisions of Article 65 of this organic law.

In this case, the deadline for resolving the procedure shall be six months from the date on which the admission agreement was notified to the complainant. After this period, the interested party may consider their complaint accepted."

Article 58.2 of the GDPR grants the Spanish Data Protection Agency a series of corrective powers for the purpose of remedying any infringement of the GDPR, including "ordering the data controller or processor to address the requests for the exercise of the rights of the data subject under this Regulation."

III

Rights of individuals regarding personal data protection

The rights of individuals regarding personal data protection are regulated in Articles 15 to 22 of the GDPR and Articles 13 to 18 of the LOPDGDD. These include the rights of access, rectification, erasure, objection, the right to restriction of processing, and the right to data portability.

The formal aspects related to the exercise of these rights are established in Articles 12 of the GDPR and 12 of the LOPDGDD.

Additionally, consideration is given to what is expressed in Recitals 59 and following of the GDPR.

In accordance with the provisions of these regulations, the data controller must establish formulas and mechanisms to facilitate the exercise of rights by the data subject, which shall be free of charge (without prejudice to the provisions of Articles 12.5 and 15.3 of the GDPR), and is obliged to respond to requests made no later than one month, unless it can demonstrate that it is unable to identify the data subject, and to express its reasons in case it does not intend to address such request. The

burden of proof regarding compliance with the duty to respond to the request for the exercise of rights made by the affected party lies with the data controller.

The communication addressed to the data subject regarding their request must be expressed in a concise, transparent, intelligible, and easily accessible manner, using clear and simple language.

3. Paragraphs 1 and 2 shall not apply where the processing is necessary:

- a) for exercising the right of freedom of expression and information;
- b) for compliance with a legal obligation which requires processing by Union or Member State law applicable to the controller, or for the performance of a task carried out in the public interest or in the exercise of official authority vested in the controller;
- c) for reasons of public interest in the area of public health in accordance with Article 9(2)(h) and (i), and paragraph 3;
- d) for archiving purposes in the public interest, scientific or historical research purposes or statistical purposes in accordance with Article 89(1), insofar as the right referred to in paragraph 1 is likely to make impossible or seriously impair the achievement of the objectives of that processing, or
- e) for the establishment, exercise or defense of legal claims."

V

Conclusion

In the present case, it has been established that the claimant requested the deletion of their data from the respondent and that the latter partially acknowledged the right, denying it concerning the user data and password because having made purchases on their website indicated that they could not delete

that data.

During the processing of this procedure, the respondent has stated that "(...) the URBANCHECK website has been non-operational and closed since last July 2023; therefore, currently, it does not hold any personal data of the claimant."

However, no documentary evidence has been provided that allows for the consideration that such a response was communicated to the claimant.

Thus, it cannot be accepted that the response that corresponds to be given can be manifested on the occasion of a mere administrative procedure, such as the submission of allegations regarding the present procedure, initiated precisely for not adequately addressing the request in question.

The aforementioned rules do not allow for the request to be overlooked as if it had not been raised, leaving it without the response that the responsible parties must issue, even in the event that there are no data in the files or even in those cases where the requirements set forth are not met, in which case the recipient of such a request is also obliged to require the rectification of the observed deficiencies or, if applicable, to deny the request with justification indicating the reasons why the right in question cannot be considered.

Therefore, the request made obliges the responsible party to provide an express response in any case, using any means that justifies the receipt of the response.

Given that no copy of the necessary communication that must be directed to the claimant informing them about the decision made regarding the exercise of rights request is attached, it is appropriate to uphold the complaint that originated this procedure.

In view of the cited provisions and others of general application, the Director of the Spanish Agency for Data Protection RESOLVES:

FIRST: TO UPHOLD the complaint filed by A.A.A. considering that the provisions of Article 17 of the GDPR have been infringed and to urge URBANCHECK (VIALE MEDIA, S.L.) with NIF B02906352, to send to the claimant, within ten working days following the notification of this resolution, a certification addressing the requested right or denying it with justification indicating the reasons why the request cannot be attended to, in accordance with the provisions established in the body of this resolution. The actions taken as a consequence of this Resolution must be communicated to this Agency within the same period. Non-compliance with this resolution could result in the commission of an infringement of Article 83.6 of the GDPR, classified as very serious for the purposes of prescription in Article 72.1.m) of the LOPDGDD, which will be sanctioned in accordance with Article 58.2 of the GDPR.

SECOND: NOTIFY this resolution to A.A.A. and to URBANCHECK (VIALE MEDIA, S.L.).

In accordance with the provisions of Article 50 of the LOPDGDD, this Resolution will be made public once it has been notified to the interested parties.

Against this resolution, which concludes the administrative process in accordance with Article 48.6 of the LOPDGDD, and in accordance with the provisions of Article 123 of the LPACAP, the interested parties may optionally file a motion for reconsideration before the Director of the Spanish Agency for Data Protection within one month from the day following the notification of this resolution or directly file an administrative contentious appeal before the Contentious-Administrative Chamber of the National Court, in accordance with the provisions of Article 25 and in section 5 of the fourth additional provision of Law 29/1998, of July 13, regulating the Contentious-Administrative Jurisdiction, within two months from the day following the notification of this act, as provided in Article 46.1 of the aforementioned Law.
