LEGAL GROUNDS

I

Competence

In accordance with the powers granted to each supervisory authority by Article 58.2 of Regulation (EU) 2016/679 (General Data Protection Regulation, hereinafter GDPR), and as established in Articles 47, 48.1, and 64.1 of Organic Law 3/2018, of December 5, on the Protection of Personal Data and the guarantee of digital rights (hereinafter, LOPDGDD), the Director of the Spanish Agency for Data Protection is competent to initiate and resolve this procedure.

Furthermore, Article 63.2 of the LOPDGDD states: "The procedures processed by the Spanish Agency for Data Protection shall be governed by the provisions of Regulation (EU) 2016/679, this organic law, the regulatory provisions issued in its development, and, in so far as they do not contradict them, by the general rules on administrative procedures."

Preliminary Issues

In accordance with the provisions of Article 55 of the GDPR, the Spanish Agency for Data Protection is competent to perform the functions assigned to it in Article 57, including the enforcement of the Regulation and promoting awareness among data controllers and processors regarding their obligations, as well as addressing complaints filed by an interested party and investigating, as appropriate, the reasons for them.

Correspondingly, Article 31 of the GDPR establishes the obligation of data controllers and processors to cooperate with the supervisory authority that requests it in the performance of its functions. In cases where they have appointed a data protection officer, Article 39 of the GDPR assigns this officer the function of cooperating with that authority.

In accordance with this regulation, following the procedure established in Article 65.4 of the LOPDGDD, prior to the admission for processing of the complaint regarding the exercise of the rights regulated in Articles 15 to 22 of the GDPR, which gives rise to this procedure, the complaint was forwarded to the respondent for analysis, to respond to this Agency within one month, and to demonstrate that it had provided the complainant with the appropriate response.

The result of this forwarding did not allow for the understanding that the complainant's requests had

been satisfied. Consequently, on July 30, 2024, for the purposes provided for in Articles 64.1 and 65 of the LOPDGDD, the complaint was admitted for processing. This admission for processing determines the opening of the present procedure for the lack of attention to a request for the exercise of the rights established in Articles 15 to 22 of the GDPR, regulated in Article 64.1 of the LOPDGDD, according to which:

“When the procedure refers exclusively to the lack of attention to a request for the exercise of the rights established in Articles 15 to 22 of Regulation (EU) 2016/679 of the European Parliament and of the Council, of April 27, 2016, it shall be initiated by an admission agreement, which shall be adopted in accordance with the provisions of Article 65 of this organic law.

In this case, the deadline for resolving the procedure shall be six months from the date on which the admission agreement was notified to the complainant. After this period, the interested party may consider their complaint to be upheld.”

Article 58.2 of the GDPR grants the Spanish Agency for Data Protection a series of corrective powers to rectify any infringement of the GDPR, including “ordering the controller or processor to address the requests for the exercise of the rights of the interested party under this Regulation.”

Rights of Individuals Regarding Personal Data Protection

The rights of individuals regarding personal data protection are regulated in Articles 15 to 22 of the GDPR and Articles 13 to 18 of the LOPDGDD. The rights of access, rectification, erasure, objection, the right to restriction of processing, and the right to data portability are contemplated.

The formal aspects related to the exercise of these rights are established in Articles 12 of the GDPR and 12 of the LOPDGDD.

Additionally, the provisions expressed in Recitals 59 and following of the GDPR are taken into account.

In accordance with the provisions of these regulations, the data controller must establish formulas and mechanisms to facilitate the exercise of rights by the data subject, which shall be free of charge (without prejudice to the provisions of Articles 12.5 and 15.3 of the GDPR), and is obliged to respond to requests made no later than one month, unless it can demonstrate that it is unable to identify the data subject, and must express its reasons in case it does not intend to comply with such request. The burden of proof regarding compliance with the duty to respond to the request for the exercise of rights made by the affected party falls on the data controller.

The communication addressed to the data subject regarding their request must be expressed in a concise, transparent, intelligible, and easily accessible manner, using clear and simple language.

IV

Conclusion

In the case analyzed here, the claimant exercised their right of Access regulated in Article 15 of the GDPR and Article 13 of the LOPDGDD.

Once the period established in accordance with the aforementioned regulations had elapsed, their request did not receive the legally required response.

The aforementioned regulations do not allow for the request to be overlooked as if it had not been made, leaving it without the response that the data controllers are obliged to issue, even in cases where there are no data of the data subject in the entity's files or even in those cases where the requirements set forth are not met, in which case the recipient of such request is also obliged to require the correction of the observed deficiencies or, if applicable, to deny the request with justification indicating the reasons why the right in question cannot be considered.

Therefore, the request made obliges the data controller to provide an express response, in any case, using any means that justifies the receipt of the response.

In this case, however, it is noted that during the processing of the complaint that gives rise to this procedure, made precisely due to the lack of an adequate response to the request for the exercise of rights, the respondent has provided documentation proving the communication sent to the data subject addressing the right or informing about the decision made regarding the request. This response, therefore, occurs after the established deadline has passed.

In this regard, it should be clarified that the response that corresponds to be made cannot be expressed merely as part of an administrative procedure. Consequently, considering that the purpose of this procedure is to ensure that the guarantees and rights of the affected parties are duly restored, combining the information in the file with the regulations referred to in the preceding sections, it is appropriate to uphold the present complaint on formal grounds due to the response being issued late, without requiring the data controller to carry out additional actions in order to issue a new certification regarding the attention to the right.

In view of the cited provisions and others of general application, the Director of the Spanish Agency for Data Protection RESOLVES:

FIRST: TO UPHOLD on formal grounds, the complaint filed by A.A.A., against BANCO CETELEM, S.A., with NIF A78650348. However, the issuance of a new certification by said entity is not warranted, as the response was issued late, without requiring the performance of additional actions by the data controller.

SECOND: NOTIFY this resolution to A.A.A. and to BANCO CETELEM, S.A.

In accordance with the provisions of Article 50 of the LOPDGDD, this Resolution will be made public once it has been notified to the interested parties.

Against this resolution, which concludes the administrative procedure in accordance with Article 48.6 of the LOPDGDD, and in accordance with the provisions of Article 123 of the LPACAP, the interested parties may optionally file a motion for reconsideration before the Director of the Spanish Agency for Data Protection within one month from the day following the notification of this resolution or directly file an administrative contentious appeal before the Contentious-Administrative Chamber of the National Court, in accordance with the provisions of Article 25 and in section 5 of the fourth additional provision of Law 29/1998, of July 13, regulating the Contentious-Administrative Jurisdiction, within two months from the day following the notification of this act, as provided in Article 46.1 of the aforementioned Law.
