RESOLUTION OF RIGHTS PROCEDURE

Having reviewed the complaint registered on November 22, 2023, with this Agency and having carried out the procedural actions provided for in Title VIII of Organic Law 3/2018, of December 5, on the Protection of Personal Data and Guarantee of Digital Rights (hereinafter LOPDGDD), the following FACTS have been established:

FIRST: A.A.A. (hereinafter, the complainant) exercised the right of Erasure against B.B.B. (hereinafter, the respondent) without receiving the legally established response to their request.

The complainant states that on October 5, 2023, they sent a request for data erasure to B.B.B. by emailing the address listed in the privacy policy of the WOOLAPET website, info@woolapet.es, without having received a response to their request after the prescribed period had elapsed, having verified that the customer account associated with their data remains operational.

They provide a copy of the email sent to the respondent requesting the erasure of their data.

SECOND: In accordance with Article 65.4 of Organic Law 3/2018, of December 5, on the Protection of Personal Data and Guarantee of Digital Rights (hereinafter LOPDGDD), this complaint was forwarded to the respondent for analysis and to inform this Agency within one month of the actions taken to comply with the requirements set forth in data protection regulations.

THIRD: The result of the transfer procedure indicated in the previous Fact did not allow for the understanding that the complainant's claims were satisfied. Consequently, on February 22, 2024, for the purposes provided for in Article 64.1 of the LOPDGDD, the Director of the Spanish Agency for the Protection of Data agreed to admit the complaint for processing.

The aforementioned agreement granted the respondent a hearing period, to submit any arguments they deemed appropriate within ten working days, summarizing the following arguments:

"That at the very moment this party became aware of the complainant's request, upon accessing the email configured in the privacy policy, they immediately proceeded at the request of A.A.A., and therefore, as of January 10, 2024, it is not recorded in the WOOLAPET database."

FOURTH: After examining the document submitted by the respondent, it was forwarded to the complainant, who was given a period of ten working days to submit any arguments they considered appropriate, but did not submit any arguments within the established period.

LEGAL GROUNDS

I

Competence

In accordance with the powers granted to each supervisory authority by Article 58.2 of Regulation (EU) 2016/679 (General Data Protection Regulation, hereinafter GDPR), and as established in Articles 47, 48.1, and 64.1 of Organic Law 3/2018, of December 5, on the Protection of Personal Data and Guarantee of Digital Rights (hereinafter LOPDGDD), the Director of the Spanish Agency for the Protection of Data is competent to initiate and resolve this procedure.

Furthermore, Article 63.2 of the LOPDGDD states: "The procedures processed by the Spanish Agency for the Protection of Data shall be governed by the provisions of Regulation (EU) 2016/679, by this organic law, by the regulatory provisions issued for its development, and, in so far as they do not contradict them, by the general rules on administrative procedures."

II

Preliminary Issues

In accordance with the provisions of Article 55 of the GDPR, the Spanish Agency for the Protection of Data is competent to perform the functions assigned to it in Article 57, including the enforcement of the Regulation and promoting awareness among data controllers and processors regarding their obligations, as well as addressing complaints submitted by an interested party and investigating, as appropriate, the reasons for such complaints.

Correspondingly, Article 31 of the GDPR establishes the obligation of data controllers and processors to cooperate with the supervisory authority that requests it in the performance of its functions. In cases where they have appointed a data protection officer, Article 39 of the GDPR assigns this officer the function of cooperating with that authority.

In accordance with this regulation, following the procedure provided for in Article 65.4 of the LOPDGDD, prior to the admission of the complaint regarding the exercise of the rights regulated in Articles 15 to 22 of the GDPR, which gives rise to this procedure, it was forwarded to the respondent for analysis, to respond to this Agency within one month, and to demonstrate that they had provided the complainant with the appropriate response.

The result of this transfer did not allow for the satisfaction of the claims of the complaining party. Consequently, on February 22, 2024, for the purposes provided in Articles 64.1 and 65 of the LOPDGDD, the complaint submitted was admitted for processing. This admission for processing determines the initiation of the present procedure regarding the lack of attention to a request for the exercise of the rights established in Articles 15 to 22 of the GDPR, regulated in Article 64.1 of the LOPDGDD, according to which:

“When the procedure refers exclusively to the lack of attention to a request for the exercise of the rights established in Articles 15 to 22 of Regulation (EU) 2016/679 of the European Parliament and of the Council, of April 27, 2016, it will be initiated by an admission agreement, which will be adopted in accordance with the provisions of Article 65 of this organic law.

In this case, the deadline for resolving the procedure will be six months from the date on which the admission agreement was notified to the complainant. Once this period has elapsed, the interested party may consider their complaint accepted.”

Article 58.2 of the GDPR grants the Spanish Agency for Data Protection a series of corrective powers for the purpose of rectifying any infringement of the GDPR, including “ordering the data controller or processor to address the requests for the exercise of the rights of the data subject under this Regulation.”

III

Rights of individuals regarding personal data protection

The rights of individuals regarding personal data protection are regulated in Articles 15 to 22 of the GDPR and Articles 13 to 18 of the LOPDGDD. The rights of access, rectification, erasure, objection, the right to restriction of processing, and the right to data portability are contemplated.

The formal aspects related to the exercise of these rights are established in Articles 12 of the GDPR and 12 of the LOPDGDD.

Additionally, consideration is given to what is expressed in Recitals 59 and following of the GDPR.

In accordance with the provisions of these regulations, the data controller must establish formulas and mechanisms to facilitate the exercise of rights by the data subject, which will be free of charge (without prejudice to the provisions of Articles 12.5 and 15.3 of the GDPR), and is obliged to respond to requests made no later than one month, unless it can demonstrate that it is unable to identify the data subject, and to express its reasons in case it does not intend to address such request. The burden of proof regarding compliance with the obligation to respond to the request for the exercise of rights made by the affected party lies with the data controller.

The communication addressed to the data subject regarding their request must be expressed in a concise, transparent, intelligible, and easily accessible manner, using clear and simple language.

3. Paragraphs 1 and 2 shall not apply where the processing is necessary:

- a) for exercising the right to freedom of expression and information;
- b) for compliance with a legal obligation which requires processing by Union or Member State law to which the controller is subject, or for the performance of a task carried out in the public interest or in the exercise of official authority vested in the controller;
- c) for reasons of public interest in the area of public health in accordance with Article 9(2)(h) and (i), and paragraph 3;

- e) for the establishment, exercise or defense of legal claims."

V

Conclusion

During the processing of this procedure, the entity being claimed has responded to this Agency, indicating that due to an error and the possibility of being automatically unsubscribed from the News Bulletin, it did not see the claimant's request until some time had passed, and therefore did not address the requested right within the established timeframe.

However, upon becoming aware of the request, it deleted the data of the claiming party, but it does not prove to have addressed what was requested by the claiming party, sending the required response to their request.

Thus, it cannot be accepted that the response that should be given can be expressed merely as part of an administrative procedure, such as the formulation of allegations regarding this procedure, which was initiated precisely for failing to duly address the request in question.

The aforementioned rules do not allow the request to be overlooked as if it had not been raised, leaving it without the response that those responsible are obliged to issue, even in the event that there

are no data in the files or even in those cases where the requirements set forth are not met, in which case the recipient of such a request is also obliged to require the rectification of the observed deficiencies or, if applicable, to deny the request with justification indicating the reasons why the right in question cannot be considered.

Therefore, the request made obliges the responsible party to provide an express response in all cases, using any means that justifies the receipt of the response.

Given that no copy of the necessary communication that must be directed to the claiming party informing them about the decision made regarding the exercise of rights request is attached, it is appropriate to uphold the claim that initiated this procedure.

In view of the cited provisions and others of general application, the Director of the Spanish Agency for Data Protection RESOLVES:

FIRST: TO UPHOLD the claim made by A.A.A. considering that the provisions of Article 17 of the GDPR have been infringed and to urge B.B.B. with NIF ***NIF.1, to send to the claiming party, within ten working days following the notification of this resolution, a certification addressing the requested right or denying it with justification indicating the reasons why the request cannot be addressed, in accordance with the provisions set forth in this resolution. The actions taken as a result of this Resolution must be communicated to this Agency within the same timeframe. Non-compliance with this resolution could result in the commission of an infringement of Article 83.6 of the GDPR, classified as very serious for the purposes of prescription in Article 72.1.m) of the LOPDGDD, which will be sanctioned in accordance with Article 58.2 of the GDPR.

SECOND: NOTIFY this resolution to A.A.A. and B.B.B.

In accordance with the provisions of Article 50 of the LOPDGDD, this Resolution will be made public once it has been notified to the interested parties.

Against this resolution, which concludes the administrative process in accordance with Article 48.6 of the LOPDGDD, and in accordance with the provisions of Article 123 of the LPACAP, the interested parties may optionally file a motion for reconsideration before the Director of the Spanish Agency for Data Protection within one month from the day following the notification of this resolution or directly file a contentious-administrative appeal before the Contentious-Administrative Chamber of the National Court, in accordance with the provisions of Article 25 and Section 5 of the fourth additional provision of Law 29/1998, of July 13, regulating the Contentious-Administrative Jurisdiction, within two months from the day following the notification of this act, as provided in Article 46.1 of the aforementioned Law.
